Details / usage fee etc.→

Hirokawa Dam Park

Hirokawa Dam

Hirokawa Town tourist information office

(Hirokawa Town industrial exhibition hall)

"Hirokawa Aisai Market" which display and sell local specialty products and "Sato Cafe Machiko no Oyatsu" are located in the hall.

Hirokawa Town Kofun Park Memorial Museum

(Kofun Pier Hirokawa)

A museum that displays the relics of Sekijinsan Kofun and Kokadani Kofun in the Kofun Park, and other relics excavated from the remains in the town. Admission: Free

Ryukoji Park

The biggest park in town. There's also wooden athletic playground so even small children can enjoy. In spring, cherry blossoms in full bloom are very beautiful.

Sakase Gotton Kan

7m in diameter biggest in prefecture water wheel rotate very slowly. In winter, the light coming from between the frozen water wheel and the trees is mysterious.

Hirokawa Dam

(Hirokawa Dam Park)

A creek that spreads through a stream and a lawn square using rivers that flow into the dam. Sakura, fireflies, and autumn leaves show different shapes depending on the four seasons.
